Gather a sex-positive friend or two. In this variation, you are meant to see the full story on the opposite side, while your friends should not. The key is to be discerning about where you place their answers. For example, ask for several nouns at once, then place them in the funniest spaces. Ask for different answers if nothing seems to fit. Adjust the story however you'd like, and encourage your friends to be as freakish as possible. Then enjoy the hilarious result!
